**Zero Liability protection at no cost to you<sup>1</sup>**

You're not responsible for unauthorized transactions as long as you report them promptly. Just be sure to notify us immediately if your Business Debit Card is ever lost or stolen. It's an extra level of protection you don't get with cash or checks.

**Thank you for banking with Wells Fargo.**

**Once your card is activated, we recommend you  
select your own PIN. It's easy to change your PIN:**

- At any Wells Fargo ATM, select *More Choices* from the main menu, then select *ATM Services & Settings* and follow the prompts to change a PIN or,
- Visit a banker at your nearest Wells Fargo location (bring two forms of ID with you).

<sup>1</sup>Please see your Wells Fargo Business Account Agreement for information on liability for unauthorized transactions.
