

*A Day in  
the Life of Ryely*

*By Murali Mama, Jennifer Mami and Ryely*

Hello Manini!

My name is Ryely. I live in this nice  
house in State College, Pennsylvania.

I live with your Murali Mama and Jennifer Mami.

I love sitting with Jennifer  
Mamí. She likes to pet me.

Murali Mama likes to pet me too.

That's me lying on a nice Indian carpet.  
Sometimes Murali Mama scratches me  
behind my ear when I am lying down.  
I like how it feels. Hee - hee!

That's me with my favorite toy, Mr. Monkey.  
I like playing with Mr. Monkey.

Mr.Monkey is a lot  
of fun!

I like having  
Mr.Monkey near me.

After playing for a while, I get hungry.  
Here I am waiting for some  
food in the kitchen.

This is my food bowl and water bowl.  
Tasty food. Mmmmmm...

Crunch crunch.  
That was crunchy!

Oops! I dropped  
some food on the  
side.

I'm full! And now I'm getting  
sleepy.....

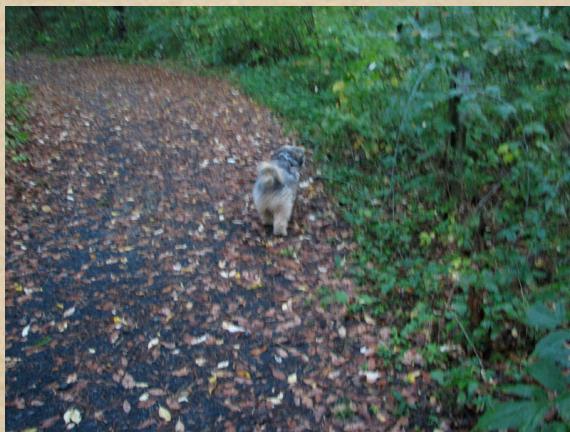

But first, it's time for me to go for a walk. That's me with a leash.

Look at how green the grass is. It's  
fun to be outside. Yay!

I love sniffing and  
smelling things.

Today, Jennifer Mami is going to take me to a park. We will go in our car to get to the park.

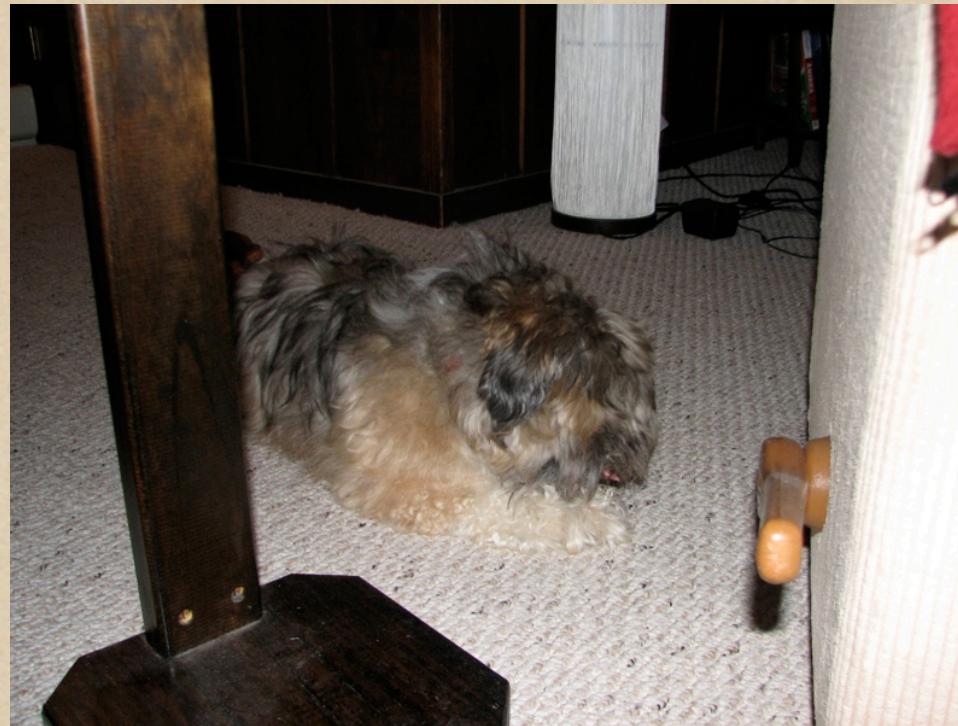

That's me in the car. I love the wind in my face!

Isn't the park beautiful?

The trip to the park was fun but it's  
nice to be back home now.

That's me enjoying a snack. I'm chewing on a bone.

Today I got petted by Mama and Mami, I played with Mr. Monkey, I ate lots of food, I went for a walk and a car ride, and I went to the park, then I chewed on my bone at home. Phew!!! I am tired!

I like being in my warm bed with my soft blanket.  
I'm going to sleep and so should you.

I had so much fun today. I hope you did too!

And.... Happy 1st birthday Manini!!

Lots of love and hugs from Murali Mama, Jennifer  
Mami and me, your new friend Ryely.
